

NFPC

National Fluid Power Centre

for Fluid Power Motion Control

Reaching the NFPC by Road:

From the M1 (J31 if southbound, J30 if northbound) or from the A1 (northbound), use the A57 Worksop Bypass and the A60 (Sandy Lane and Turner Road). North Notts College is signposted from the end of Sandy Lane (just past B&Q).

From the A1(M) (southbound) use the B6045 through Blyth.

The entrance to the NFPC and the North Nottinghamshire College car park is off Turner Road.

Reaching the NFPC by Rail:

Worksop station is only a very short walk from the NFPC. If travelling on the East Coast Main Line change at Retford. Worksop can also be reached from Mansfield and Nottingham (on the 'Robin Hood Line') and from Sheffield.

For information on local hotels, restaurants and amenities please ask for our customer information booklet or visit our website: www.nfpc.co.uk
